Hi Anthony,

Thanks for continuing to work on this. I am on travel but could be available by telephone tomorrow morning between 10 and 11. Do those times work for others?

Good morning, all: In an effort to restore useful discussions of the LUST remediation at Lac du Flambeau, Jenny Manville and I are scheduled to meet with Dee and Kristen on Thursday morning at LDF. Jenny's coming into Chicago today. Our purpose is only to put the meeting back together, so you and the tribe can make your decisions. It will be very helpful if Jenny and I can meet with you on Tuesday (anytime) or on Wednesday morning (except 9-10) to look over the last proposed agenda. Please let me know if that can be arranged.
